## Over 9,000,000 eggs and counting.

**FACT**

We crack each and every egg by hand to make our farm-fresh 3-Egg Breakfasts and Omelets. In a year, we hand-cracked **over 9,000,000 eggs** in our restaurants!

## The truth about our Onion Rings.

Our crispy, golden Onion Rings **require 21 steps** to achieving greatness. We use fresh Colossal onions and we hand cut each to our standard size. We then **hand dip them** in batter, coat them in two different kinds of coating mixes, and **dip them again** before they are cooked to a perfect golden brown, just for your order.
